TO

SHAMIN, RANGOON

No. 1450 Ya pa (Ga) (.) In continuation of this Government's signal No. 1493 Ya pa (Ga) of today's date (.) It is now learnt from late Dr. Herczeg's Assistant, Kya Tha Htoo that Dr. Herczeg's purpose in going out from Taunggyi was not known to him (.) In fact Dr. Herczeg never told him as to where they were proceeding to (.) Therefore information in first message about Dr. Herczeg visiting WANWIN farm was not correct (.) Dr. Herczeg just told his assistant and the driver to proceed on from Topong towards Wanwin and the speed of the car all the way through just about ten miles per hour (.)

SHINGOV,

TAUNGGYI
